**U.S. PATENT DOCUMENTS**

| * |   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY | Name             | Classification |
|---|---|--------------------------------------------------|-----------------|------------------|----------------|
|   | A | US-5,265,014                                     | 11-1993         | Haddock et al.   | 704/9          |
| * | B | US-5,566,271                                     | 10-1996         | Tomitsuka et al. | 704/275        |
|   | C | US-5,774,859                                     | 06-1998         | Houser et al.    | 704/275        |
|   | D | US-6,009,398                                     | 12-1999         | Mueller et al.   | 704/275        |
| * | E | US-6,075,575                                     | 06-2000         | Schein et al.    | 348/734        |
|   | F | US-                                              |                 |                  |                |
|   | G | US-                                              |                 |                  |                |
|   | H | US-                                              |                 |                  |                |
|   | I | US-                                              |                 |                  |                |
|   | J | US-                                              |                 |                  |                |
|   | K | US-                                              |                 |                  |                |
|   | L | US-                                              |                 |                  |                |
|   | M | US-                                              |                 |                  |                |

**FOREIGN PATENT DOCUMENTS**

| * |   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY | Country | Name | Classification |
|---|---|--------------------------------------------------|-----------------|---------|------|----------------|
|   | N |                                                  |                 |         |      |                |
|   | O |                                                  |                 |         |      |                |
|   | P |                                                  |                 |         |      |                |
|   | Q |                                                  |                 |         |      |                |
|   | R |                                                  |                 |         |      |                |
|   | S |                                                  |                 |         |      |                |
|   | T |                                                  |                 |         |      |                |

**NON-PATENT DOCUMENTS**

| * |   | Include as applicable: Author, Title Date, Publisher, Edition or Volume, Pertinent Pages) |
|---|---|-------------------------------------------------------------------------------------------|
|   | U |                                                                                           |
|   | V |                                                                                           |
|   | W |                                                                                           |
|   | X |                                                                                           |
